

THE BUCKSKIN TRAIL 2008
“The Learning Experience for the Adult Leader”

The Buckskin Trail starts on Wednesday April 2nd at 6:30 PM, at Cricket Holler. This training is for all adults that are involved in the Scouting Program: Scoutmasters, Assistant Scoutmasters, Cubmasters, Webelos Den Leaders, Troop and Pack Committee Members, as well as all adults offering support to a Pack or Troop. The Course is restructured to meet the requirements for National Outdoor Leader Training, and if you have completed all the other aspects of Adult Leader Training, you will receive a “Trained” patch.

By attending the Buckskin Trail you will learn the rules of Safe Scouting, how to be trained in Youth Protection, and learn the skills of Outdoor activities. The functions of the Scout Troop and its committees will also be explained as you become a member of the Buckskin Scout Troop, form patrols, and operate as part of the Troop using the Patrol Method.

It is very important to be trained to enrich your knowledge of the Boy Scout Program. Understanding the program ensures the success of each Troop and each Scout in the Troop. By coming to the Buckskin Trail you will feel at ease with using the Scouting Program, and will be able to make Scouting FUN for you and your Scouts.

Many Scouters return to the Buckskin Trail each year to help their fellow Scouters by sharing their experiences and knowledge, and in the process enrich their lives by renewing friendships they have made on the Trail. Please join the Buckskin Trail this year and help make your Scouting experience safe and fun for you and your Scouts through an increased understanding of the Scout Program.

Troop sessions are held at Cricket Holler Scout Camp, 6675 Brantford Road.

Contact: Scoutmaster, Dave Green at 299-3687 or Dave.Green@Woolpert.com for more information
