Wood Badge

for the
21st Century

September 5-7 & 20-22

2008

What is Wood Badge? Leadership training for any Adult Scout Leaders and the most fun you'll ever have on a training course. The training is designed for adults in all scouting programs including Cub Scouts, Boy Scouts, Varsity Scouts, Venturing and all other District and Council leadership positions.

Requirements: You must be a registered adult scouter with basic training for your particular scouting position and any Outdoor Skills training appropriate for your position. There are no special physical or outdoor abilities required but we will be sleeping in tents. You must be able to have fun!

Course Format: Wood Badge is a six-day course conducted over two full three-day weekends. The first weekend reflects the unit meeting, while the second weekend uses a camping activity as its delivery model. The focus is on leadership skills, not outdoor skills. And did we mention fun?
